I will now only in the Engineering College
allowance to be sanctioned to the Staff
for extra work involved on account of
the T.T. Schem.

R

The original training fee was Rs 5/-
per trainee and subsequently increased to Rs 7/-
and the addl amount of Rs 2/- primarily
intended to meet the cost of allowances to
existing Staff for overtime work etc.
As a general rule, the allowance is to be
confined to the lower paid Staff and in no case
should the allowance exceed 20% of the
substantive pay of the Staff concerned.
The allowances to the Staff of the Engineering
College were sanctioned on the above basis.
The Principal and 2 Profs have also been given
as a special case but not at the rate of 20%.

Flg N.

The expected income in the Govt
Electric Factory, if the classes are full
is 55 × 7 = Rs 385/-. If the addl requirements
are met by the Govt of India the no of trainees
will be 64 × 7 = 448/-. It is better to set
apart a larger amount for the materials etc

Since the expected income may fall
for my reasons as candidates leaving
the Courses in the middle etc. Perhaps it
would be better if the G.M gives
an estimate of expenditure.
The pay of the staff and the allowance
purposes to be given as in the case of
the Engineering College. So that it
may not exceed 20% in any case
as the allowance may not be too
large in the case of the higher paid staff.
In the Engineering College there are
232 trainees and as such a lot of extra
work. The C.I. Workshops, Bhimavaram Iron Works
and the Ry Workshops here also undertaken
the Scheme & no allowances have so far been
sanctioned to the staffs so far as the War Section
is aware. Since the expenditure is to be met
out of the Govt of India training fee
there does not seem to be any objection
to the payment of the allowances since it
entails no expenditure on the Govt.
Submitted for perusal and orders.

Information as at Pt
& the number of trainees
made from Tatas may also be obtained.

Sir,

Sub: War Technician Training Scheme.

I have the honour to state that according to the instructions received from the Government of India, the Government Electric Factory has taken for training 55 candidates, consisting of 32 Fitters, 12 Turners, 7 Electroplaters, and 4 Welders. The scheme has begun to work from 26-1-42.

This centre has also been sanctioned by the Government of India one Senior Instructor on Rs.80/- per month and two Junior Instructors on Rs.55/- per month.

The Government of India has subsequently asked the General Manager, Government Electric Factory, whether he could take up for training 20 Electricians in the place of 7 Electroplaters and 4 Welders, thereby raising the total number of candidates from 55 to 64. The General Manager, Government Electric Factory, has replied that he could take up 20 Electricians for training provided one Instructor and the necessary equipment are sanctioned. It is stated that the Regional Inspector, Southern Circle, Madras, informed the General Manager, during his last visit this month that the above staff would be sanctioned.

In connection with this training, a training fee of Rs.7/- per candidate is sanctioned by the Government of India, out of which the allowances to the Officers connected with the training as well as the cost of other items such as Oil, Steel, Cotton Waste, Miscellaneous

Miscellaneous Raw-materials, Stationery etc., required for the training has to be met.

A sum of Rs.183/- is set apart for the other expenses and the balance of Rs.265/- is proposed to be alloted as below as allowance to the Officers of the Factory, with effect from 1-2-1942 for the duration of the course.

The General Manager, of the Factory will have administrative and Supervisory control over the whole scheme. An allowance of Rs.75/- per month is proposed to be paid to him.

The Electrical and Mechanical Superintendents of the Factory will have supervisory control over the classes and be responsible for the training in the respective sections. They are proposed to be paid allowances of Rs.50/- per month each.

The Secretary of the Factory, will look after the adminstrative and Correspondence work over the whole scheme. He is proposed to be paid an allowance of Rs.20/- per month.

The accountant and two accounts clerks of the Factory will be in charge of cash and maintenance of accounts connected with the scheme and they are proposed to be paid allowances of Rs.20, 5 and 5 each respectively.

The Store-Keeper of the Factory who is in charge of costly materials and tools of the scheme is proposed to be paid an allowance of Rs.10/- per month.

The Foreman, Electrical Transformer Accessories, Tool Making, and Machine sections, who will assist in the training are proposed to be paid allowances of Rs.10/- each.

These allowances amounting to Rs.265/- are proposed to be met from out of the Trainees' fees of Rs.448/- (64 candidates at Rs.7/- each). The balance of Rs.183/- will be utilised for the cost of consumable stores such as Oil, Steel, Cotton Waste, Miscellaneous Raw-materials, Stationery, etc. required for the training.

I request you to be so good as to obtain early sanction from of Government for the above proposals, to take effect from 1-2-42.

I have the honour to be,
Sir,
Your most obedient servant,

Government Director.

Sir,

Technical Training Scheme - Allowances to Staff.

With reference to your letter No.2509/41 dated the 15th April '42 asking for additional particulars regarding the above subject, I have the honour to append herewith a statement, received from the General Manager, Government Electric Factory, containing my revised recommendations regarding the allowances to be paid to the staff and to state that these proposals have been submitted after re-examining the matter in the light of the instructions issued by Government.

The number of trainees during February, March and April '42 were respectively 22,38 and 52. The amount spent on the consumable stores during these three months is respectively Rs.9-9-0, Rs.59-3-8 and Rs.18-14-6 making a total of Rs.87-11-2.

Calculated at Rs.7/- per trainee, the total fee available for the three months is Rs.770/-, and according to the enclosed statement, the expenditure on account of allowances due to be paid per month is Rs.225/-, and this can be fully covered by the amount available out of the training fees after meeting all the expenses on account of consumable stores etc.

I request you to kindly obtain early sanction of Government
